## The Impact of Your Gift

The future of Oak Hill Cemetery, (1849) is contingent on the generous support of the surrounding community. At some point in the future, Oak Hill Cemetery will cease to be an operating cemetery and will transition to a historic public garden park. The Foundation was created to prepare for this transition and to make sure the beauty, serenity and natural splendor of Oak Hill may be enjoyed for generations to come. Your gift contributes to the ongoing preservation of Oak Hill Cemetery, its historic interment sites, structures, historic records, and support for its functions and activities.
